

100% Health - Intensive Treatment

Functional Health has designed its Intensive Treatment Program to allow Australians access to comprehensive allied health treatment and rehabilitation. The Program is designed to provide clients with the expertise and facilities they need to recover from injuries or conditions that need regular ongoing treatment without the financial burden that often comes with allied health treatment. From the moment you walk through the door at Functional Health, our team of experienced allied health professionals will go above and beyond to ensure you achieve your goals.

Making the most of your program at Functional Health

- ✓ Try to attend all regular hands on required Physiotherapy sessions per week (optimal treatment frequency is different for different stages of your recovery, your Physiotherapist will prescribe a frequency that would best suit your recovery).
- ✓ Ensure you attend the necessary Exercise Physiology sessions.
- ✓ Use your PhysApp or Home Exercise sheets to further complement your program at Functional Health.
- ✓ Please always book an appointment and give as much notice as possible if you are unable to attend (if non attendance without notice becomes regular a cancellation fee may be enforced).
- ✓ Reoccurring appointments can be made in advance.
- ✓ Please turn your phone on silent, or if you are expecting a call please let your Physio or EP know.
